

# Catninga Camping Hut

760m above sea level

**Mt Brown 970m above SL. A magic spot. Enjoy your stay!**

1. Key is in the key pod located under the verandah. Replace it securely.
2. Bathroom key is above kitchen sink.
3. Turn on toilet tap & **turn off** when leaving. Bucket if needed.
4. Fire pit outside front of hut.
5. Inside wood stove can be used. Dry wood in metal wood box. Please replace and leave full for next camper. Axe in bathroom - take care!
6. Open 1 front door and **chain back top tightly** to verandah. Chain hangs from beam. Use gate for ladder - take care!
7. Remove gas BBQ, table, chairs and put outside for picnic area.
8. **Do not sleep with gas inside** (take outside and return on departure).
9. Utensils etc under sink. Please clean and put away after use.
10. Please take rubbish with you, burn what you can (not silver foil) put everything away and leave clean and tidy.
